## **Supporto Ceramico per Saldatura**

*[www.italianwelding.com](http://www.italianwelding.com)*

# Supporto ceramico per saldatura

Grazie ad una particolare formula inorganica ed una cottura doppia ad elevate temperature, il supporto ceramico ITALIANWELDING offre particolare affidabilità e sicurezza per la saldatura.

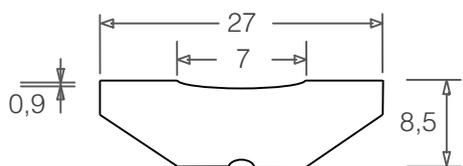

# Supporto ceramico piatto adesivo

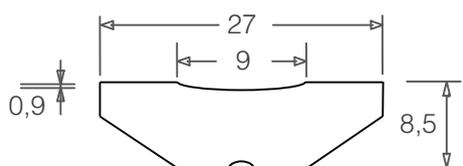

tipo & dimensione

descrizione

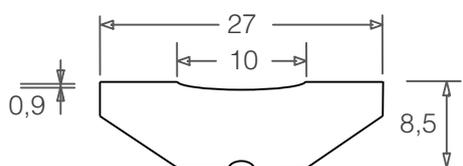

applicazione

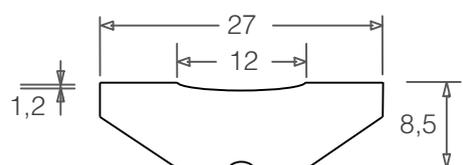

Supporto Ceramico piatto:  
SC07 ----> lunghezza 500mm  
SC07A ----> lunghezza 600mm

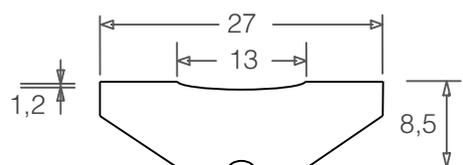

Supporto Ceramico piatto:  
SC09 ----> lunghezza 500mm  
SC09A ----> lunghezza 600mm

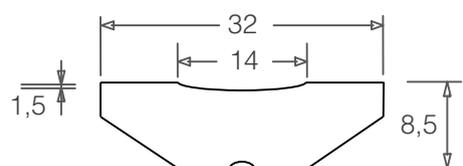

Supporto Ceramico piatto:  
SC10 ----> lunghezza 500mm  
SC10A ----> lunghezza 600mm

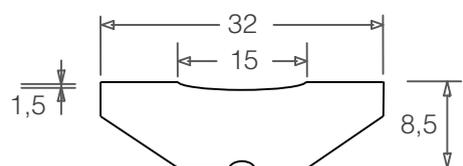

Supporto Ceramico piatto:  
SC12 ----> lunghezza 500mm  
SC12A ----> lunghezza 600mm

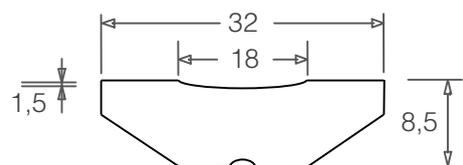

Supporto Ceramico piatto:  
SC13 ----> lunghezza 500mm  
SC13A ----> lunghezza 600mm

Supporto Ceramico piatto:  
SC14 ----> lunghezza 500mm  
SC14A ----> lunghezza 600mm

Supporto Ceramico piatto:  
SC15 ----> lunghezza 500mm  
SC15A ----> lunghezza 600mm

Supporto Ceramico piatto:  
SC18 ----> lunghezza 500mm  
SC18A ----> lunghezza 600mm

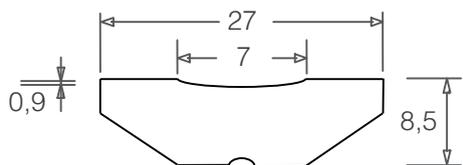

# Supporto ceramico piatto adesivo waterproof
